Name of employer	MBAL "Uni Hospital" LTD
Location	Panagyurishte
Type of business or sector	Healthcare
Dates	**June 2014 - October 2015**
Occupation or position held	KindyRoo teacher
Main activities and responsibilities	KiddyRoo is an Australian early child development program that supports sensory and motor integration. Proper stimulation supports the development of the child, and their lack can lead to a delay in the integration of brain and motor activity. Our goal is that babies and young children have the opportunity to get through all stages of their development in the best possible way and to be prepared for admission to school.
Name of employer	"Usmihnato slanchice" LTD
